

Snapzoo

TM

Create an entire menagerie from one snap-together shape!

Snap... Snap... Snap up a bear, then an elephant, a turtle, then a fox, or a duck... Simply keep snapping and snapping again to invent your own kingdom of lovable plush creatures. Snapzoo animals are fun for all ages... Let your imagination run wild and Snap-A-Zoo!

Unsnapped, the Snapzoo toy lies flat and can be easily mailed as a gift, tucked in a suitcase, or hidden under your pillow. Snapzoo animals are made of high-quality velvet-soft velour, foam, and heavy duty snaps to insure safe and creative play.
